

Kirwan, 23 Wheeler Circuit

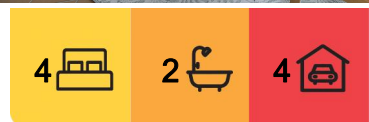

Not Your Average Family Home… This One's Built for Living!

If you're looking for a stock-standard house with plain white walls and no personality-this isn't the house for you. But if you want a solid, spacious family home with room to entertain, a pool to cool off in, and a bar to kick back in after a long week, then 23 Wheeler Circuit, Kirwan is calling your name.

Let's start with the basics: Four great sized bedrooms, two renovated modern bathrooms and tiled throughout (because who has time for carpets in Townsville?).

The main bedroom has a walk-in robe and ensuite so you don't have to share your space.

The kitchen sits in the center of the home, big enough to handle meal prep for a crowd, and it flows straight onto the oversized back patio.

And when we say oversized, we mean it-you can BBQ, entertain, and even fit a pool table back there all at the same time without feeling cramped.

Now, the real fun starts. The garage has been transformed into a full-blown bar and rumpus room. No more squeezing into a corner of the lounge to watch the footy-this is your own private retreat.

And out the back? A big, sparkling pool ready to make every summer a little more bearable for both you and the kids.

Speaking of kids, there's a kids play park at one end of the street, and soccer fields at the other, which is a perfect place where they can burn off energy while you enjoy some peace and quiet.

This is not just another house. It's a home built for making memories. Come see it for yourself, book your inspection today.
