A home with everything you could need

There's something special about coming home to a quiet court in Kirwan, where the kids can ride their bikes, neighbors wave as they pass, and life just feels that little bit easier.

Welcome to 6 Hawkhurst Place.

This is the kind of home that grows with you. Big, welcoming, and built for real family living, it offers five generous bedrooms, two bathrooms, and plenty of space for everyone to spread out. With full split-system air conditioning throughout, you'll stay comfortable all year round, no matter what North Queensland throws your way.

Inside, there are two large living areas, which means no more arguing over the remote. One space can be for movie nights and relaxing, while the other becomes the hub of the home. Whether that's homework at the table, weekend footy on the TV, or hosting friends and family.

Step outside and it gets even better.

Out the back is where this home really shines. A stunning new pool is
