brand new appliances including a rangehood, dishwasher and induction stove, providing modern functionality for everyday cooking and entertaining.

As you explore further, you'll find four generous bedrooms, each a climate-controlled haven with its own air conditioning unit to ensure the perfect night's sleep regardless of the Queensland heat. Privately positioned at the front, the master suite forms a peaceful parents' retreat complete with walk-in robe and ensuite, while at the rear a fully enclosed study offers the ideal work-from-home sanctuary, quietly separated from the main living zones.

Step outside and you'll discover a backyard that truly sets this property apart. Vast, secure and wonderfully private, the garden provides a rare sense of space that is becoming increasingly hard to find -- perfect for children and pets to roam, weekend gatherings, or simply enjoying the freedom of your own outdoor sanctuary. The covered entertaining area flows naturally from the living spaces, making indoor-outdoor living effortless year-round.

Beyond the front door, the location completes the lifestyle appeal. You are moments from quality schools, local shopping centres, parks, public transport and nearby mosques, ensuring daily routines remain easy and connected while you enjoy the calm of cul-de-sac living. Homes offering this combination of modern updates, multiple living zones and such a substantial block in a tightly held Kuraby pocket are increasingly rare, making 22 Jack Place an exceptional opportunity for families seeking both immediate comfort and long-term value.

The beauty of living here is how effortlessly it fits into your daily routine. On weekends, you can leave the cars in the double remote garage and take a short, leafy stroll to the local park. When it's time to head out, you are perfectly positioned with the train station, bus stops, and local schools all just minutes away, ensuring that while you feel miles away from the world, everything you need is right at your fingertips.
