worry about —a feature some buyers will love, and others can easily change if lush garden scapes are your preference.

Inside, the house has an appealing, free-flowing floorplan, freshly painted and anchored by 2 living spaces: an air-conditioned open-plan kitchen/lounge/dining hub that opens onto a covered outdoor patio, and a separate, fan-cooled family room adjacent to the entry hall. For the home chef, the kitchen offers ample storage and bench space, a brekky bar, twin sink, tiled splashbacks, and modern appliances (electric cooktop, under bench oven, rangehood).

The largest of the 4 fan-cooled bedrooms, the master enjoys a streetside outlook and has both a spacious walk-in-robe and a self-contained ensuite with a shower. There's a bedroom just across the hall that would be a perfect nursery (or study if you need), while the other 2 beds sit off the living/dining hub, distanced by a spacious family bathroom (shower and tub) with a private toilet.

For your much loved 2-and 4-wheeled vehicles —be they cars, bikes, a trailer or tinny —the double garage offers secure housing as well as laundry facilities. There's also more off-street parking available on the driveway.

As well as having vast tracts of bushland nearby, it's a leisurely walk from here past Kuraby train station to reach established precincts like Wally Tate Park with its cricket/skate ramp facilities and an off-leash dog area. By car, it's a 5-minute drive to both Kuraby State school and Runcorn State High, and you're mid-way between Pinelands Plaza and Underwood Marketplace for cruisy shopping runs.

If it's the easy life you seek, your search ends here!
