home with its stylish design and practicality. Featuring a butler's pantry complete with a stove and sink, ample cupboard space, and beautiful stone benchtops, it's a dream for anyone who loves to cook and entertain.

The home's list of additional features continues with solar panels (13.3kw) paired with a 13.3kw battery, ensuring energy efficiency year-round. Security is taken care of with an alarm system and cameras, while comfort is provided by evaporative cooling and ducted heating.

The alfresco area, with its remote-controlled outdoor blinds and ceiling fan, is perfect for outdoor entertaining in any season, offering year-round enjoyment.

For those who love to entertain outdoors, the fully landscaped garden includes an in-ground heated pool with built-in spa jets, a fresh water/copper ion system for a healthier, more eco-friendly swimming experience. And with drive-through side access, there's plenty of room for additional vehicles or storage.

This Kurunjang home truly offers the complete package - modern convenience, luxurious living, and a tranquil environment to call home. It's a rare find that combines practicality with sophistication, making it perfect for a growing family or anyone looking to upgrade their lifestyle.
