UNIQUE GEM ON THE GOLDEN MILE WITH CATHEDRAL CEILINGS

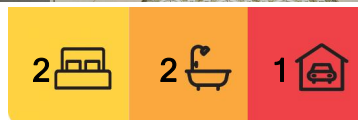

Extremely sought after location is only the beginning. It is truly a rare opportunity to secure this top floor apartment of amazing 130 sqm. Gorgeous cathedral ceilings add a touch of class, uniqueness and style, to this piece of real estate on the famous Golden Mile of Marine Parade, creating an exciting volume to the already large and bright living space with Easterly and Northerly aspect.

Solid brick and tile low maintenance building with only 9 residences, apartment 8 is situated on the top floor, middle section with lovely water views and welcoming breezes flowing through the property due to its unique design and multiple windows.

Kitchen has had some upgrades and is very well appointed with lots of cupboards. Two good sized bedrooms, main with ensuite and walk-in-robe, two bathrooms plus separate laundry room are certainly rare features in these types of buildings.
