Scene Steel-er: Lake Tekapo

Dazzling turquoise waters, dramatic mountain backdrops, unmatched beauty & pristine surrounds ... Lake Tekapo is truly an unrivalled must-see slice of paradise! With its unique edgy design, dramatic use of raw materials & jaw-dropping views, this award-winning home is a scene steel-er masterpiece unrivalled in more ways than one!

Although anything but subtle, the ingenious incorporation of a variety of corten steel finishes has created a home with timeless distinctive aesthetics which will look as impressive in the future as it does today.

Welcome to 360 degrees of pure wow! With majestic views, extra high ceilings, bespoke fittings & impressive industrial bric-a-brac, the attention to detail, solid workmanship & creative design is evident throughout. A jaw-dropping double volume entrance, kitchen concrete bench top & checker-plate steel tiles illustrate the uncompromised thinking & refined execution of quality finishes ... no expense has been spared. A Blaze King fireplace & central heating system along with massive sliders & electrically operated clerestory windows ensure comfort all year round.

A generous master suite with a distinctive ensuite is complemented by a bunk room with solid built-in bunks & a generous third bedroom. Massive steel sliding doors throughout the home add to the rich
