

175 Princes Highway, Lakes Entrance

OCEAN VIEWS AND SPACE FOR THE FAMILY

Enjoy stunning ocean views and relaxed coastal living in this two-storey home in Lakes Entrance. The upper level features a light-filled, open-plan kitchen, dining and living area with large windows that frame the outlook. A sliding door opens to a fully enclosed balcony stretching almost the length of the house — perfect for entertaining or simply taking in the views.

Continuing on the upstairs level, the master bedroom also enjoys water views, while the main bathroom is generously sized and a second bedroom completes the layout.

Downstairs offers two family bedrooms plus a versatile fifth bedroom, study or craft room. A second shower room includes a convenient Euro-style laundry, and the toilet is separate.

The large garage doubles as an excellent entertaining space, and outside you'll find a shed to store all your toys and solar panels will help to keep energy costs down. This home is a retreat from the world where you can watch the storms roll over Bass Strait or enjoy the serenity of a calm summers day.
