

8 Norbury Way, Langford

Beautiful Home, Big Potential

Combining immediate comfort with outstanding future possibilities, this beautifully maintained property presents an exceptional opportunity for investors, owner-occupiers and developers alike.

Positioned on an impressive corner block of approximately 868m², the property offers potential to retain the existing home and develop the remaining land, subject to the necessary approvals. Currently zoned R20, application can be made through the City of Gosnells for the R30 Corner Lot Density Bonus.

Highlighting the potential of the site, a neighbouring property on a similarly sized block has previously been subdivided into three lots.

What truly sets this property apart is the exceptional condition of the existing home. Unlike many properties purchased primarily for their development potential, this residence is beautifully presented and ready to enjoy or lease immediately. Gleaming polished jarrah floorboards add warmth and character, while fresh paint and modern updates create a bright and inviting interior.

The functional kitchen offers ample storage, a gas cooktop and easy access to the adjoining living areas. Three comfortable bedrooms are serviced by a well-appointed bathroom, while the separate games
