## Pakiri - Wild, Untouched, Sea Views

Set in a tightly held coastal pocket on the East Coast, North of Auckland, this property offers a rare chance to secure 6 hectares of pristine, bush-clad land near Pakiri Beach to build or relocate your dream home while capturing the sea views.

Combine the magic of coastal living with the peace and privacy of native bush, with a thoughtfully positioned building platform making the sound of the ocean and nature become part of everyday life.

The native bush is covenanted, protecting its natural beauty for generations to come while creating a haven for birdlife and a deep sense of tranquillity. The contour offers an easy balance-flat to gently rising land leading to the ideal building site, before climbing more steeply toward the upper boundaries, where elevated outlooks reveal stunning vistas over the surrounding landscape.

Pakiri is renowned for its wild, unspoiled coastline, a place where properties are scarce and tightly held. The beach is a destination in itself-expansive, raw and beautiful, loved by surfers and nature enthusiasts alike.

This is more than land-it's a lifestyle defined by:

- Space, privacy and natural beauty
- Proximity to one of New Zealand's most iconic surf beaches
- Protected native bush and abundant wildlife
