

Lilli Pilli, 27 Endeavour Avenue

PRESENTATION AND LOCATION

In real estate they say it's all about the location.

On the water side of George Bass Drive, with views out to Mosquito Bay and the headland, and an approximate 380m walk to the ever-popular Lilli Pilli beach, you don't get much better.

The icing on the cake is the home presents perfectly, all the hard work has been done and it is definitely a "move in ready" proposition with nothing to do. The home itself is constructed in rendered brickwork with a tile roof. There is a good-sized double garage with a drive through facility, perfect for parking that boat or van under the covered rear deck. The easy-care backyard is fenced and there is a generous storage shed at the back of the block.

Downstairs has two good sized bedrooms, one being a guest suite with its own ensuite as well as an office set up just near the front door, perfect for that work from home option.

Upstairs there are two more bedrooms including the main with ensuite and WIR, three of the bedrooms offer their own individual R/C units for comfort all year round, all supported
