Double Brick Semi in the Centre of Town

There's plenty to like about this full brick semi. The home has retained many original character features including timber lining board ceilings, picture rails, cast iron fireplaces, and an original fuel stove.

The floorplan features 3 large bedrooms, a lounge room with gas heater, a modern kitchen with gas stove, and a tidy bathroom. The under house laundry has exposed sandstone footings and an original clawfoot bath.

There is rear lane access to the yard, along with a lock up workshop and outhouse.

A great option for an investor.
