

6 Whitton Street, Lithgow

Well Kept Railway Semi

Held in the same family for many years, and one of only a handful of these unique pre-cast concrete semi detached homes, this is a great opportunity to secure a slice of Lithgow's history.

The home is in original condition with original timber floors and high ceilings throughout. There a 3 large bedrooms, a basic eat-in kitchen, a lounge room with gas heater, a neat bathroom, and a sunroom.

The corner block is a generous 697 square metres and offers side street access with ample room for a garage if desired.

A solid structure with excellent renovation potential.

- Mt Victoria Pass is temporarily closed, however Lithgow is still accessible from Sydney and the Blue Mountains via the Darling Causeway diversion from the Great Western Highway and alternatively the Bells Line of Road.
Allow an extra 20 minutes travel time.
