

133 Chifley Road, Lithgow

Here's an Opportunity

With a brand new roof, gutters, and downpipes, the platform has been laid for someone with vision to renovate and add value to this character cottage.

The home has plenty of upside, with a charming fae, a versatile floor plan, and an elevated position on the high side of Chifley Road.

There are 3 large bedrooms, a large eat-in kitchen with original open fire and slow combustion heater, a neat tiled bathroom, and a formal lounge room.

A covered front porch and rear patio provide good outdoor living space, and there is rear lane access to a single carport.

A solid home with loads of potential.
