

26 Hill Street, Lithgow

Elevated Position Above CBD

With original timber floors, ceilings, and doors, along with open fireplaces and picture rails, this old gem is packed full of potential for a buyer with the vision to restore and renew.

The home is a solid double brick construction in a 2 storey layout. Upstairs there are 3 large bedrooms, a lounge room, and a neat tiled bathroom. Downstairs there is a large eat-in kitchen with wood burner, a combined bathroom and laundry, and a utility space.

The yard is private and has mature trees, a garden shed, and rear lane access to a double carport.

Needs some attention but a great opportunity to value-add in a desirable central position.
