Full Brick in the Heart of Town

With an attractive facade, many original features throughout including pressed metal ceilings and lead-light bay windows, and a desirable position in upper Extension Estate, you can't go wrong with this original double brick gem.

The home offers 2 large bedrooms, a basic kitchen and bathroom, a lounge room with gas heater, and a rear sunroom. The home also has gas central heating throughout for the cooler months.

All set on a large 695 square metre block with a single lock up garage.

A rare opportunity to secure one of the few remaining full brick homes in the central part of town still offering excellent renovation potential.
