Convenient Central Location

Well positioned on the high side of the street with a desirable North aspect and an attractive facade, this solid rendered double brick home is a smart choice for an investor and would equally serve well for an owner occupier looking to take advantage of the excellent location.

The property features 3 good sized bedrooms and a study, a neat eat-in kitchen with attractive timber benchtops and gas stove, a lounge room with open fireplace and flued gas heater, and a modern bathroom.

The low maintenance rear courtyard and front porch add to the convenience and liveability of the property, and there is a garden shed for the tools. A right of carriageway benefits the property and gives access to the back yard.

Currently leased to a great tenant at \$390 per week, with vacant possession available if required.
