Family Brick Veneer

Set on the high side of the street offering a pleasant view across town to the East, this well kept brick veneer is perfect for a family.

The conventional floor plan offers 3 bedrooms with built-in robes, a modern kitchen with walk-in pantry, breakfast bar and dining area, a renovated bathroom, and 2 living areas. The home also has a new split system air conditioner for year round comfort.

The large 717 corner block offers side street and rear laneway access to both a single garage with remote access and a single carport. There is also a covered rear patio.

A great home for a young family.
