A Beautiful Family Home

Held in the same family for nearly 6 decades, and being offered to the market for the first time, this immaculate brick veneer has been lovingly cared for.

The home offers 3 large bedrooms with built-in wardrobes, a Tasmanian Oak kitchen, 2 separate living areas, and a neat tiled bathroom. There is also a large attic with pull down ladder-stairs for easy access, along with roller shutters to all windows.

Parking is a dream with a turning circle in the front yard, a double garage and workshop, and a single carport.

A private rear yard and an established front garden completes the picture.

Located in a quiet street with a pleasant mountain backdrop in Hermitage Flat.
