Great Home & Location

Conveniently located within walking distance to Main Street and the station, this modern brick veneer ticks all the boxes.

The conventional floorplan features 3 generous bedrooms (master with walk-in & ensuite), a large modern bathroom, a modern kitchen with dishwasher, breakfast bar and dining space, a spacious lounge room, and an attached double garage with internal access.

A large covered rear deck provides excellent outdoor entertaining space and has a please mountain aspect and afternoon sun, while the new back to grid solar energy system assists with reducing the power bills.

The large 799.3 square metre block is a rare find this close to town. It is fully fenced and there is a new triple garage and workshop for the tools and toys.

A superb move in ready home.
