

19 Binda Crescent, Little Bay

Architectural Masterpiece with Tranquil Treehouse Ambience

Visionary architecture and striking industrial elements combine with lush botanical surrounds to create this exceptional multi-level residence at 19 Binda Crescent, Little Bay. Designed to blur the line between indoor and outdoor living, the home delivers a contemporary sanctuary immersed in natural light and tranquil greenery.

Expansive walls of glass and dramatic skylight galleries illuminate the interiors, while exposed steel beams, polished concrete floors and bespoke cork pendants introduce texture and architectural depth. A magnificent Norfolk Pine provides a stunning natural backdrop from multiple vantage points, enhancing the home's serene and private atmosphere.

Outdoors, a secluded garden oasis offers the perfect setting for relaxation and entertaining, complete with an outdoor shower nestled amongst swaying palms-evoking the feel of a luxury resort retreat.

Perfectly positioned opposite Woomera Reserve parkland, the home enjoys a peaceful coastal setting just moments from Little Bay Village cafés, shops, beaches and spectacular coastal walks.
