air conditioning. Connected by internal stairs, it's the perfect solution for multi-generational living without sacrificing privacy.

Upstairs is where the magic really happens. The spacious open-plan living area embraces the coastal outlook, while the generously sized bedrooms provide plenty of room for family and guests. The quality kitchen, complete with a large island benchtop, becomes the natural hub for entertaining.

Step through the glass doors and enjoy the full-length front and rear decks - the perfect spots to enjoy your morning coffee, soak up the ocean outlook or unwind with a glass of wine as the day comes to an end.

And then there's the space!

For anyone with a boat, caravan, motorhome or plenty of toys, the huge 4.3m x 8.7m garage with 2.7m-high clearance and roller doors at both ends is an extraordinary bonus. There's room to store the big stuff securely and still have space to spare - a feature rarely found in a coastal property.

The entertaining options continue with a 4.2m x 6.4m undercover entertaining area, perfect for year-round gatherings, plus an enormous 7.5m x 6.3m games room/gym with its own water views. Imagine the possibilities - games room, home gym, rumpus room, workshop or the ultimate retreat for teenagers and guests.
