glance.

The warm welcome continues as you step inside, revealing the home's stylishly updated interior, with downlights, plantation shutters & features new wool carpet. The sleek yet neutral colour palate helps showcase the blonde hardwood timber flooring in the hallway and main living space, and as you push deeper into the home, the striking staircase that leads you upstairs is a wonder in its own right. There are two generous bedrooms on offer on this first level plus loft storage, and the main bedroom reflects exposed feature beams which are a real eye catcher.

Sitting outside the main bedroom on the Romeo /Juliette balcony will pass the time with ease —a great place to chill in the morning with your favourite cup of coffee or afternoon delights in the shade with an Aperol Spritz.

Back downstairs once more, the kitchen with breakfast bar is an inviting space to cook up a storm. Granite bench tops are showcased here, along with frosted glass fronted overhead storage to keep the clutter hidden away. The bathroom at the rear is spacious, having also seen a recent makeover.

The rear yard is such an inviting space to enjoy with family & friends, or the kids & pets — the new alfresco space is waiting for you to take full advantage of in the warmer summer months area, all we're missing here is you & the BBQ! Lastly, a DA approved studio takes pride of place, perfect as a teenagers retreat, or kids rumpus or even a fully loaded home workspace. The possibilities are endless!
