Creatively constructed in 2010 from Exposed Agg Limestone fully insulated concrete panels, this architecturally designed residence is set on a private 34 acres with awe inspiring views……… it's more like an estate.

Offering 4 generously sized bedrooms and 2 beautifully appointed bathrooms, the residence is a testament to both craftsmanship and creative vision.

Upon entering the home, the freshly sanded blackwood flooring looks fantastic and blends in seamlessly with the feature mudstone wall in the living area.
