

72 Gilbert Road, Lutwyche

Rarely Found Low-Set; Outstanding Privacy.

In a suburb and city of high-set, high maintenance timber Queenslanders, purchase a property that offers you an outstanding balance between lifestyle and home ownership. Whether you are looking to up-size or downsize, this modern low-set offers a spacious floorplan surrounded by private gardens. Walk to the Kedron Brook in under a minute. Manicure and shape the gardens to create a special greenspace. A rarely found and highly sought after proposition this close to the CBD, this lovely home is now ready for its first owner in two decades.

The high-ceilings here complement an east-facing orientation. Two sets of timber doors open onto a covered geometric patio, with a skylight also letting in filtered natural light in the primary living area. This outstanding design element is so rarely found in brand new homes, and crystallises the many points of difference on offer.

A renovated main bathroom, renovated kitchen, tidy paint-work, and well-proportioned rooms all round off this excellent property.
