

Lyons, 57 Damabila Drive

Upgrade to Lyons today.

Lyons is a quality Darwin suburb with close proximity to both the Darwin public and private hospitals, Lee Point Beach and Casuarina shopping precinct. This is truly a quality lifestyle property for families looking for a quality home in a quality suburb with loads of amenity and a convenient location. Unlike a number of suburb built recently, Lyons has good sized blocks and nice wide roads and represents excellent value.

The kitchen is a stand out feature of the home with stone bench tops and an island that includes a breakfast bar with dual waterfall ends. The glass splash back looks great and helps with easy cleaning, there is plenty of cupboards for storage and a walk in pantry. The property is fully air conditioned and has tiled floors through out for easy maintenance. The double garage is oversized with separate roller doors for easy access. The positioning of the home on the block has created a good size back yard for the full sized family pool!
