Sun, Space & Sea Breeze - Renovated Living at Machans Beach

There's something special about Machans Beach, a tight-knit coastal village where neighbours still know each other's names, the pace slows right down, and the beach is at the end of the street. This fully renovated three-bedroom, two-bathroom home delivers the best of that lifestyle, with the hard work already done and nothing left to do but move in and enjoy it.

Inside, the renovated interiors are fresh, functional, and built for tropical living. Three comfortable bedrooms and two modern bathrooms mean there's room for the whole family, while air conditioning throughout keeps things cool even in the height of summer. The elevated position catches the coastal breezes and adds to the light, airy feel that runs through the home.

Step outside from the kitchen and you'll find an outdoor entertaining area that was made for the Far North Queensland way of life, whether it's weekend barbecues, watching the kids play, or simply unwinding after a long day. The built-in shed/workshop add genuine practicality for tradies, hobbyists, or anyone who needs extra storage.

Just 10 minutes from the Cairns CBD and approx. 800m from the beach itself, Machans Beach offers that rare combination of community spirit and coastal calm that's increasingly hard to find. With the local school and general store all within easy reach, this is a home that works beautifully for families who want space to breathe without sacrificing convenience.

Renovated, elevated, and ready, this one won't last long in a tightly held market.
