across the full width of the residence - an entertainer's dream and a true family hub. Wood-look flooring adds warmth and durability, while surrounding windows flood the space with natural light and coastal ambience.

The kitchen is built for those who love to cook and entertain, featuring a premium Lofra 900mm Italian 5-burner cooktop and oven, a large walk-in pantry, and seamless connection to the dining and living zones. From here, glass doors open to a generous covered patio, creating effortless indoor-outdoor flow year-round.

Accommodation is thoughtfully designed with a large front master suite featuring ceiling fan, reverse-cycle air conditioning, a spacious walk-in robe, and a well-appointed ensuite. Minor bedrooms are positioned for privacy, all with built-in robes, including one with a semi-ensuite - ideal for teenagers or guests seeking their own space. A dedicated study nook with its own air-conditioning unit adds further flexibility for working from home.

Outdoors, the lifestyle continues with a private, secure backyard featuring reticulated gardens, established grape vines, and plenty of room to relax or entertain, with ample space to add a swimming pool in the future (STCA). A massive powered workshop with separate driveway access and extended height clearance adds serious value for trades, storage, or hobby enthusiasts.

Additional features elevate the home's appeal, including 24 solar panels, commercial-grade roller shutters, a freshly serviced bore, reinforced tin roof, new gas hot water system, and a solid brick-and-tile construction designed for longevity.
