

Malua Bay, 392 George Bass Drive

2 homes in 1!

Double brick with suspended concrete slab on a 582 sqm block, this spacious 3-4 bedroom house with large living area, generous dining kitchen has the added bonus of a 2 bedroom unit underneath that is separately metered and would be perfect to rent out. Imagine having a passive income of over \$20,000 a year, just by renting out d/stairs.

It would also be great for extended family or even teens that you want out of your space but not too far away, or even running your own business from it as it is in a great location with exposure to passing traffic on George Bass Drive. Would suit a accountant, hair salon, masseuse/ beautician, (STCA).

From the upstairs house you can see a decent water view and enjoy it from your large verandah area and on many occasions the current owners have watched the whales passing by on their migration travels . You have a totally enclosed yard that is big enough to keep kids or dogs in but small enough to not stress about maintaining.
