## Exceptional acres with a touch of unconventional

Imagine living in a hidden away, 2 Ha (approx 5 acre) private paradise, and yet you're only a short distance to the shops, beaches, restaurant's, schools and doctors!

This home is not the ordinary, so if you're looking for an environment that nurtures your escapism, encourages your creativity and develops vision and originality, this could be for you.

This 3 bedroom, 2 bathroom home is not the cookie cutter style project home that the majority look for, this home has history and character embodied in charm as its roots.

The house originally started out life as the old Batemans Bay Post Office which was cut in half and transported to its current position in 1984. It still retains features such as the fat hardwood floor boards and the bedrooms extended out under the original verandah line that the post office bought with it. Over time it was of course added onto, to fit with current living expectations and now boasts large living areas and a floor plan that offers easy living, bringing the inside to outside with an enclosed sunroom and a N/West facing verandah to enjoy your evenings on.

Other features include, a fantastic lined guest room which these owners have used as a music room, but with the 22 power points in there, it could be enjoyed by any kind of hobby enthusiast! A garage that can fit 4 small cars or 3 cars with a large workspace area, double carport, shedding, large chook run, rustic BBQ area and potting shed for the gardener and don't forget the 400 megalitre dam that has an electric pump allowing access from the 7 house taps. 60,000 litres of tank water for house, and a concrete driveway from the main road which is tarred to the entry.

School buses come to the top of the block so the kids can just walk down the driveway and if you're a biking enthusiast you could ride your Mountain Bike straight down to Wimbie Beach or the impressive and very popular Mogo Trails. Although the property isn't fenced, a horse owner may like the proximity to Surf Beach Pony Club or the bush trails out the back of Dunns Creek Road and Deep Creek for riding but the block is essentially a bush block that has cleared areas. A horse owner would need to improve it to suit. Call me now as inspections are by appointment only.
