- Close to shops, buses, parks, and motorways

From the moment you arrive, the striking modern facade and manicured gardens set a tone of contemporary elegance. This property has undergone a significant recent renovation, including the addition of a massive 28m² elevated deck that serves as a seamless extension of the upper living area.

The transformation continues with a brand-new carport and a full renovation of the entire downstairs level and internal stairs, ensuring every inch of the home feels fresh and sophisticated. The expansive lower level now features a massive rumpus room and three additional multi-purpose rooms that offer endless possibilities for a home office, teenager's retreat, or creative studio.

Upstairs serves as the central hub of the home, where open-plan design meets modern comfort with an expansive living area featuring stunning polished timber floors and split-system air conditioning for year-round climate control. This light-filled space flows effortlessly into the dedicated dining area and a gourmet kitchen, while double doors open to an outdoor sanctuary offering a private, elevated space for hosting large groups or enjoying quiet family dinners under the stars.

The master suite and second bedroom both include built-in robes, while the third bedroom offers flexibility for a nursery or home office. These rooms are serviced by a modern main bathroom featuring contemporary tiles and a separate toilet, ensuring a smooth morning routine for the whole family.

Step outside and discover your private oasis where the expansive covered deck provides the perfect backdrop for alfresco dining while you overlook the fully fenced backyard. Below the deck, a secondary patio area and a generous carport area ensure there is plenty of space for the whole fleet and a safe place for children and pets to play.

Location is everything, and this property delivers the very best of Mansfield living by securing your children's future within the highly sought-after Mansfield State High School catchment. You are moments away from major motorways, local shops, serene parks, and high-frequency bus routes, making your daily commute a breeze. This eco-friendly home also includes installed solar panels and a water tank, combining modern comfort with sustainable living.
