

185 Martin Avenue, Mareeba

Acreage, Water and Potential in a Prime Location

Situated on the Atherton side of Mareeba, just minutes from town, this 4.79 acre property offers space, privacy, and outstanding potential. Rarely does land of this size come to market so close to town, making this a smart lifestyle and investment opportunity.

Approximately 3 acres of the property is cleared and fenced, with flat, usable land ideal for horses, livestock, hobby farming or small-scale crops. A large dam holding water for most of the year, combined with a 6 megalitre channel water allocation, provides excellent long-term water security.

Whether you're seeking a lifestyle block, family acreage, rural investment, or a property to improve over time, this property represents outstanding value in a tightly held location.
