

15 Kestrel Crescent, Matamata

Experience Matamata's oriental icon

Welcome to a home that simply cannot be understood through photos alone - this is a property that must be seen, felt, and experienced to truly appreciate its magic.

Steeped in timeless elegance and inspired by Eastern design, this iconic 1970s residence is one of Matamata's true treasures. Every outlook captures a moment of calm, with beautifully curated Oriental gardens creating an atmosphere that soothes the senses from the moment you arrive.

The home's distinctive architecture flows throughout three generous bedrooms, including a master suite complete with a stylish ensuite and walk-in wardrobe. Two inviting living areas offer versatility and tranquility - the formal lounge providing a peaceful retreat, while the second living space seamlessly opens to the outdoors.

At the centre of the home, the kitchen and dining zone serves as the communal heart, thoughtfully designed for easy entertaining and everyday connection. Over time, each owner has added their own touch, resulting in a property rich with character, warmth, and soul.
