Nest Or Invest

If location is important then look no further.

This very private two bedroom residence is perfectly positioned for the sun and offers a nice size section of 619sqm.

The open plan living opens out to a sun-drenched patio, a great place to retreat for that morning coffee or evening refreshments.

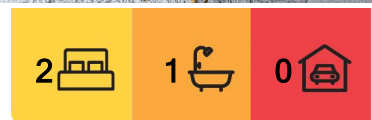

The freehold title means you are in control, creating your own piece of paradise & somewhere to produce your secluded sanctuary.

If you are looking for investment or downsizing then this could be your calling.
