

Matamata, 0 Station Rd

The Beginning Of A New Era

Many of us invest in our homes just as heavily emotionally as we do financially. Therefore, where you choose to build is of huge importance. The creators of Highgrove are acutely aware that you, the purchaser have multiple options. Bearing this in mind, they have gone the extra distance to make Highgrove your destination of choice. Not only have they concentrated on the big picture, but they have also placed equal importance on those little one-percenters that are not so obvious. Their efforts have elevated this subdivision from great, to exemplary. Right from the outset the designer's vision was to create a legacy by attracting a clientele who placed importance on the feel-good factor - a community where the ideology "a man's home is his castle" can come true.

Looking forward to your new home is exciting! Unfortunately, one day you'll need an exit strategy, at this point your wisdom to own a property in Highgrove will once again be recognised and rewarded.
