ANOTHER OFF MARKET DEAL

As our vendor looks to move forward in another direction they approached us about selling via the vast database of buyers we're holding.

We approached a select group of buyers who were in a position to buy the property on the spot, the result?

An offer was made and accepted after the first inspection, contracts were exchanged two days later for a price that was higher than the comparable sales in the street.

If you are considering selling and would like a similar result feel free to call Ryan on 0417 977 476.
