2 Level Living with Space & Style

Perfectly positioned in a convenient Melton location, this well-maintained home offers a flexible floorplan ideal for families, first-home buyers or investors. Set across two levels, it delivers multiple living zones and a practical layout designed for comfortable everyday living.

Downstairs features a spacious lounge on entry, flowing through to a well-appointed kitchen and adjoining dining area. Two bedrooms, including a generous master with built-in robes, are serviced by a central bathroom and laundry for added convenience.

Upstairs, additional bedrooms with robes are complemented by a second bathroom, creating a private retreat for growing families or guests. The separation of living and accommodation zones enhances both space and functionality.

Outside, a covered entertaining area and large garage/workshop add to the home's appeal, all set close to schools, shops and transport. Contact Zoe Crooks on 0426 796 001 today and secure your new home!
