

795 Woorora Road, Millstream

Tranquility | Wildlife | Privacy

Tucked away from the everyday hustle and bustle, this peaceful lifestyle retreat offers the perfect escape for those craving space, privacy and a connection to nature. Positioned on just under five acres and surrounded by established trees, the property is alive with local wildlife including king parrots, lorikeets, kookaburras, wallabies and more.

The home itself is full of warmth and character, featuring three spacious bedrooms plus a separate office, ideal for those working from home or needing extra flexibility. The master bedroom includes a built-in wardrobe, while the heart of the home is the generous kitchen complete with island bench, breakfast bar and an abundance of storage. A large bathroom with walk-in shower adds practicality, while the fireplace creates a cosy ambience during the cooler months and air-conditioning keeps things comfortable year-round. Solar panels help keep energy costs to a minimum, adding further appeal to this lifestyle package.

Across a short walkway from the main residence are several additional rooms offering endless possibilities —whether you are looking for a workshop, extra storage, hobby space or potential guest accommodation. Surrounding the home, the beautifully crafted stonework gardens create a stunning natural water feature during the
