

Milson, 21 Gemini Avenue

The Gem in Gemini

This property truly is the Gem in Gemini Avenue. The cute 89m² (more or less) home is set on a lush 688m² (more or less) section, offering plenty of space for outdoor activities, gardening or simply relaxing.

With three bedrooms, it's perfect for growing families, and that's just the beginning! The added bonus of a double sleepout with an adjoining bathroom provides versatile living options-whether it's extra bedrooms, a home office, or a space for guests. This unique feature takes this entry-level home to a whole new level.

The kitchen/ dining area is very functional and leads into the sunny family room, which is a bright and welcoming space perfect for hanging out with the family or quiet afternoons.

A double garage off the road provides safe secure parking where you can tuck your vehicles up whenever you need to.
