Family Home with Bonus Sleepout

This lovely home has plenty of space for modern family life, with three bedrooms in the main house and a separate sleepout with its own bathroom. With all the important updates already done, it's ready to move in and enjoy straight away.

Set on an easy-care 454m² section, the main house has three comfortable bedrooms, a bright living area, and a practical kitchen and bathroom for everyday living. The real bonus is the sleepout with its own bathroom, perfect for teenagers, guests, or extended whanau who like a bit of extra independence.

The house has been painted inside and out, and has replaced carpet, rewiring, and a re-roof, so it's tidy and reliable. A heat pump, along with ceiling and underfloor insulation, keeps it warm and cosy all year round.

Outside, there's just enough space for kids or pets to play, plus a single-plus garage and off-street parking for convenience.
