Modern Living & Coastal Convenience

This impressive four-bedroom, two-bathroom home in Mindarie offers exceptional street presence with a wide frontage, a main driveway leading to a double garage and an additional gated driveway ideal for parking a caravan, boat or extra vehicles. The double garage features high ceilings, allowing clearance for taller vehicles, while the extra driveway provides access through to a paved side area with further parking or storage options.

Upon entry, hardwood bamboo flooring flows through a wide hallway highlighted by a recessed ceiling, setting the tone for the home's quality finishes. The open-plan living area incorporates a modern kitchen with seamless connection to the meals and family space, creating a functional and inviting central hub. A large, fully enclosed theatre room offers a separate space to relax or entertain, while the kitchen conveniently connects to the laundry for everyday practicality.

All bedrooms are generously sized and fitted with built-in wardrobes, with one secondary bedroom featuring a walk-in robe. The master suite is well positioned and includes a spacious, modern ensuite and a large walk-in robe, providing excellent separation and privacy.
