Charming Cottage on Double Block

This charming old cottage is ready for someone with vision and a love for character homes. Sitting pretty on a generous double block, this property offers serious potential for those willing to roll up their sleeves.

The original cottage showcases lovely period features that'll make renovation enthusiasts weak at the knees - soaring high ceilings, decorative breezeways and a wraparound veranda that's perfect for morning coffee or afternoon drinks. The good bones are definitely there, just waiting for the right person to bring them back to life.

Currently configured as a one-bedroom, one-bathroom home with an internal laundry, but here's where it gets exciting - there's potential to transform this space into a comfortable three-bedroom home. The layout lends itself beautifully to expansion, and with a bit of creativity, you could have something truly special.

The double block means plenty of room to move, whether you're planning gardens, sheds, or just want space for the kids to run around. It's the kind of peaceful country setting where you can actually hear the birds singing instead of traffic humming.

Yes, this cottage needs renovation work - we're not going to sugarcoat that. But for someone with the right skills or budget, this could be an absolute gem. The location offers quiet country living while still being convenient to local amenities, with FoodWorks just a short drive away for your weekly shop.

Perfect for renovators, investors, or anyone dreaming of their own country retreat project.
