

62 Alice Street, Mitchell

Solid Queenslander on 1 Acre Block

This solid Queenslander is brimming with original character and ready for its next chapter. Set high on metal stumps, this two-bedroom, one-bathroom home delivers the kind of charm that modern builds simply cannot replicate.

Step inside and you will be greeted by soaring high ceilings, inviting breezeways and stunning stained glass doors that speak to the craftsmanship of a bygone era. The huge main bedroom is genuinely impressive, while multiple sleep-outs provide flexible options for guests, a home office or a creative retreat. The large kitchen features an original crown stove that adds both character and conversation, making it a wonderful space for leisurely weekend cooking.

Practicality meets potential throughout the property, with a water tank already in place and a layout that lends itself beautifully to a thoughtful refresh or full restoration at your own pace. The generous block offers serious room to move, featuring a large double-bay shed, an additional shed and multiple other outbuildings and dwellings perfect for storage, workshops or passion projects. If you have ever needed space for all the things that never quite fit, this property has you well and truly covered.
