

Moorooka, 12 Errington Street

SOLD BY JANE ELVIN

Sitting tall and proud on a 541sqm block, 12 Errington Street is beautifully positioned in a tree lined residential street, within the coveted Clifton-Hill precinct. This charming character home will be love at first sight for many and will appeal to owner occupiers, investors and renovators alike.

From the moment you set eyes on the facade you realise you are walking into a home that is quite special, ready for the next owner to peel back the layers of a well-loved life. Enter the home via the front porch capturing views to Mount Coot-Tha and creating a lovely spot to watch the world go by. The hallway entry separates the living areas from the bedrooms. The carpets hide hardwood timber floors while the wallpapered walls and the Terrazzo flooring in the bathroom transport you back to 'Grandma's' house. For me, walking into the kitchen was a reminder of what kitchens are all about, a place to gather with family and friends. I am sure many a tea was poured and many a conversation was had around this kitchen table.
