Indoor/outdoor flow is effortless to the covered in porch with 2 stylish skylights, this area I could see being well enjoyed throughout the year while appreciating the park views. The easy-care section and good off-street parking make life easier knowing the children can go through the park gate, run around and play on the park grounds yet you don't have to mow the lawns!!!

An outside enclosure has been built to allow for a spa pool that even comes with a shower for yourself or ideally suited to wash the dog.

A stunning home that needs to be viewed to be appreciated!!!
