

Mossman, 5 Owen Street

CHARACTER FILLED QUEENSLANDER STYLE HOME

Enjoy the charms of yesteryear with this fully renovated and repainted Queenslander-style home that resides on a generous 974m² in Mossman.

A classic, covered, tiled front porch frames the entry to the home that opens into a breezy open plan living and dining space featuring air conditioning, ceiling fans, attractive vinyl hybrid flooring, an exposed timber beam, high ceilings and cool neutral decor.

The hybrid flooring also flows through to the large, well-appointed, country-style kitchen whose contemporary colour palette, feature backsplash tiling and abundant storage and benchtop space will make entertaining a delight.

Radiating off the living area are the four bedrooms, one of which is currently used as an office/work from home space.

Generously proportioned, the master bedroom comes complete with air conditioning, ceiling fan, lovely natural light, carpeting and a built-in wardrobe.

The remaining two bedrooms offer a similar feature set, the second also enjoying floor to ceiling built-in cabinetry.

Modern and inviting, the bathroom offers a classic combination of tiles and shiplap panelling teamed with feature black tapware.

Completing the picture inside is the spacious enclosed laundry and powder room at the rear of the home and new heat resistant insulation throughout.

Outside, the large block is fully fenced (new fencing on one side) making it an ideal adventure playground for children and furry friends.

Add the large, powered 3-bay shed; integrated alfresco area; established lawns, gardens and fruit trees; and easy walking distance to all of Mossman's major facilities and amenities, and this really is a full and very appealing package.
