Rare 26.5 Acre* Opportunity with Spectacular Mulgoa Valley Views

Positioned at the end of a private road and capturing breathtaking views across the picturesque Mulgoa Valley, this remarkable 26.5 acre* landholding presents an increasingly rare opportunity to secure a substantial acreage parcel in one of Western Sydney's most tightly held lifestyle locations.

Predominantly cleared and boasting excellent usable land, the property offers endless possibilities for those seeking space, privacy and future potential. Whether you're looking to create a stunning family estate, establish a hobby farm, land bank for the future or enhance the existing improvements, this is a property that allows you to bring your vision to life.

The existing residence offers comfortable accommodation with generous living spaces, while a separate self-contained granny flat provides additional flexibility and an income stream. A substantial machinery shed (approx. 20 m x 9 m) further enhances the property's appeal for those requiring storage, workshop space or rural infrastructure.

Three dams are scattered across the property, providing excellent water catchment, while the elevated position showcases stunning rural vistas rarely found so close to major amenities.
