Parkside Living Starts Here

Introducing Governor Terrace, a tightly held townhouse complex designed for effortless modern living. Positioned at the rear of the complex, Residence 21 is near standalone, sharing only one neighbour and enjoying a prized parkside orientation. With leafy outlooks and enhanced natural light flowing in from the rear, this home offers a sense of privacy and openness rarely found in townhouse living.

Spanning three well designed levels, the residence features an intelligent layout with elevated aspects and flexible spaces to suit a range of lifestyles. Whether you're a first home buyer, young professional, downsizer or seeking a low maintenance lock and leave property, this is an opportunity to secure a unique parkside position within the ever popular Bulimba precinct, just moments from vibrant local dining, shopping and the exciting East Village development.

Arguably one of the finest in the complex, this townhouse enjoys a prime position at the rear of the development with only one adjoining neighbour and more natural light than others. Impeccably presented, the upper levels offer sweeping district views. With high ceilings, elegant tiled floors, plush carpets, and split system air conditioning, the home is elevated by its attention to detail and quality finishes.
