

Murarrie, Unit 32/19 Governor Terrace

Modern Living in Park Hill Estate

Introducing Governor Terrace – a sought-after townhouse complex designed for modern living. This three-level residence boasts a well-thought-out layout with elevated views, accommodating diverse family needs. Whether you're a first-home buyer, a young professional, an empty nester, or looking to downsize, this property offers the ease of a lock-and-leave lifestyle, all within close proximity to the lively Bulimba area and the upcoming East Village.

Arguably one of the finest in the complex, this townhouse enjoys a prime position at the rear of the development with only one adjoining neighbour and more natural light than others. Impeccably presented, the upper levels offer sweeping district views. With high ceilings, elegant bamboo floors, plush carpets, and split system air conditioning, the home is elevated by its attention to detail and quality finishes.
