

Narooma, 9 Riley Street

Mid-Century Splendour

This original Narooma home has been lovingly restored to its former 1950s glory. Those with a keen eye for style will love the sympathetic renovations carried out by its current owner. Set on a quiet street in the heart of Narooma, this single level home will appeal to a variety of purchasers.

Nine foot ceilings and refinished white cypress floorboards give this property a wonderfully bright and welcoming interior. All on one level, the home has three bedrooms and two bathrooms. Two separate living areas and a formal dining space surround the elongated kitchen and flow beautifully onto a large covered outdoor entertaining area with views to Montague Island.

The generous fenced backyard is filled with mature fruit trees and Rileys Lane provides rear vehicle access for those with caravans or boat storage requirements.

This really is a classic Narooma residence.
